MHSS Learning Village

October 30, 2002

Agenda

Objectives:

Participants will be able to:

- Examine MHSS Learning Village to identify ways in which it aligns to standards-based teaching and learning across the curriculum.
- Identify and discuss ways in which MHSS Learning Village addresses students' most pressing academic needs.
- Access MHSS Learning Village and learn how to use it in a classroom setting to address and improve students' academic performance and teacher online communication across the curriculum.
- Develop an action plan for implementing MHSS Learning Village at their respective schools.
